RSE parent consultation feedback

We received 19 responses across all key stages

Curriculum

It helps a child to know that their body belongs to them`	100% strongly agree
It helps a child to know that some parts of their body are private - the parts under pants and vest	100% strongly agree
It helps a child to know that no one else should touch their private parts without their agreement	100% strongly agree
It helps a child to know who to tell and how to tell them if someone touches them without agreement	100% strongly agree
It helps a child to know that there are many different types of families	79% strongly agree 16% agree 5% strongly disagree
It helps a child to know what to do if they feel bullied or pressured to do something	100% strongly agree
It helps a child to know about body changes, so they are not frightened	100% strongly agree
It helps a child to know that body changes happen at different rates for different people	100% strongly agree
It helps a child to understand how to keep their growing and changing body clean	100% strongly agree
It helps a child to feel confident enough to ask for help if they are worried about body changes	100% strongly agree
I want my child to know that a baby begins when a seed and egg join together	100% strongly agree
I want my child to feel confident to ask a trusted adult if they have questions about babies	100% strongly agree

When should these topics be introduced at Ivy Chimneys?

Topic	EYFS	KS1	LKS2	UKS2	Not covered
Understanding about families and their responsibilities for children	37%	26%	21%	16%	0%
Naming parts of the body	37%	32%	11%	21%	0%
Building confidence to keep safe and ask for help	63%	26%	5%	5%	0%
Preparing for puberty	0%	0%	37%	63%	0%
How a baby is made and develops	16%	5%	21%	53%	5%

Are there other areas which you feel your child should learn about at school (that aren't already covered in the documents we have provided)?

- 'The term consent should be explicit'
- 'Diversity more generally - in terms of ethnicity, disability, etc. Building acceptance, inclusion and awareness early on, to fit with the broader approach to RSE'
- 'How everyone looks different and how each person's body parts look different from other people's'

Do you hold any views or beliefs which you would like us to take into account as we review our provision and policy?

Thank you for your responses regarding any views or beliefs you'd like us to take into account. If you have left your name, we will be in touch.

Parent consultation for RSE

I have received adequate information about the changes to RSE	95% strongly agree 5% agree
I support the school in their aims and objectives for RSE	95% strongly agree 5% strongly disagree
I would prefer to leave teaching about puberty and reproduction to the school	21% strongly agree 21% agree 16% neutral 11% disagree 32% strongly disagree
I think my child would like to discuss puberty, staying safe, families and sexual reproduction with me (as well as at school)	74% strongly agree 16% agree 11% neutral
I am comfortable talking to my child about puberty, staying safe, families and sexual reproduction	79% strongly agree 21% agree
I know who to go to in school if I have a question about RSE For reference - it would be Miss Sigston, Miss Laing (RSE and PSHCE Lead) or your child's class teacher	84% strongly agree 5% agree 11% neutral

Additional resources

Opportunities to see teaching plans and resources	**9**
A leaflet	**8**
A list of recommended web resources	**8**
I would prefer to leave it to my child	**1**

Any further comments/ suggestions

- 'Having read all the information I am confident you have every topic covered. I am more than happy to discuss any of it with my child. It is good to know the detail of what you will be covering so thank you for sharing it with us.'
- 'These topics should be taught/shared in school and at home. But if not at home definitely at school. 100% support.'
- 'I am fully supportive of this plan'

Thank you to all parents/ carers that took part in our RSE consultation.
